THE HERD BULLS.

It has been our ambition to breed better cattle each year, and if we have been successful in doing this it has been brought about by using the utmost care in the selection of our Herd Bulls.

Diamond Goods 33014 has been in use the past five years, and has demonstrated his value as a sire, and was undefeated in the aged bull class in the leading shows of 1912.

Sultan Supreme 367161. Got by Double Dale 337156, out of Luster of Anoka A, by Anoka Sultan, has made good and in our estimation ranks along with the best as a breeder of high class calves.

Radium 385195 will be remembered as the successful yearling shown by Owen Kane in 1913. He has developed well and is proving to be an excellent sire. He was sired by Double Dale and the 3rd dam is Imp. Lady Douglas, the dam of Cumberland's Last.

Fair Acres Sultan 354154 is too well known to need any comment or description. The fact that he sired the cattle that composed the successful show herd exhibited by that enterprising breeder, J. A. Kilgore, of Sterling, Ill., in 1913 and 1914, established his reputation as a sire.

Parkdale Baron 410363 is the roan senior bull calf shown by us in 1913, winning first prize at the Nebraska, Kansas, and Missouri State Fairs. Also Junior Champion at the Kansas State Fair and Junior and Grand Champion at the Nebraska State Fair. He has been retained for use in the herd and several heifers will be sold safe in calf to him.

On the future development of the herd depends the breeder's ability to select and buy the right herd bull.

SUPERIOR GOODS 398194, is a red bull for which we feel justified in making strong claims. He has wonderful depth and thickness of flesh with great scale; weighing now close to a ton. He descends from a family of red cows that have been excellent breeders and very heavy milkers. We doubt if a better Short-horn bull will be offered at auction this year.

SUPREMACY combines many of the good points of his three top sires — which are conceded to be among the best bulls used in our herds in recent years. Bred as he is, and good as he is, he will please you.

Sultan Supreme. In growth and development Sultan Supreme has fully met with our expectations; his calves have surpassed our highest hopes and we regard him today as one of the best young bulls of the breed.

Good Choice, the celebrated son of Choice Goods needs no introduction. His reputation was established by the many good sons and daughters that have passed through our annual sales or been retained for breeding purposes in our own herds.

DIAMOND VICTOR was shown as a Sr. bull calf at the shows last fall and was well up in the money. He is a beautiful red with splendid head and horn—a good back, strong in the crop and stands on short legs. His breeding is faultless and this young bull should go to head some high class herd.

WESTLAWN LAVENDER is a very thick-fleshed, deep bodied young cow. Individually she is as good as her pedigree, which, coupled with the fact that she is safe in calf to Sultan Supreme, makes her an unusually attractive cow to buy.

Hampton's Successor 286217 was the son of Hampton's Best, that we selected to succeed his sire, but we were induced to sell him as a yearling, buying him back again in 1910. He is a massive, thick bull, with exceptional feeding qualities and level hind quarters. He is bred right and breeds right. Out of Royal Queen of Beauty, by Hampton's Best 170818, who was the sire of our calf and young herd winners at the World's Fair at St. Louis in 1904. Tracing to Imp. Queen of Beauty, by Senator (27441).

Good Choice 227852, the celebrated son of Choice Goods, needs no introduction — his reputation was established by the many good sons and daughters that have passed through our annual sales, or been retained for breeding purposes in our own herds.

Bred Aug. 28, 1914, to Sultan Supreme 367161.

EMMA 2d is one of the good breeding daughters of Diamond Goods. She has by her side an exceptionally promising bull calf, by Radium, and is safe in calf again to the same sire.

Mr. Marr's Emmas have been highly appreciated in America, since the famous Pott's Emmas made such an impression in the American show ring. They were of thick, low, heavy stamp, that has helped the Aberdeen Shorthorns to forge to the front and to be recognized as money makers wherever found.

Diamond Goods 333014, red, calved Jan. 13, 1909. Bred by Bellows Bros., got by Good Choice 227852, out of Sweetheart, by Victorallan 212298, out of Modesty. He was undefeated in the aged bull class in the leading shows of 1912.

Lord Cowslip 160616, roan. Calved May 2, 1899. Bred by William Duthie, Collynie, Scotland. Imported in 1900, by Hanna & Co., Howard, Kan.; got by Lord of Fame 157722, out of Cowslip 26th, by Paul Jones 160618. Cowslip 14th by Duke of Albemarle 159796.
